JULY MEETING

Our guest was Allison Centonze Union Beer Brand Development Manager for Green Flash, plus Narragansett, Krombacher, and Original Sin.

Allison generously shared these fine Green Flash beers: West Coast IPA, Palate Wrecker, Le Freak, 30th Street, Park West Porter and East Village Pilsner.

On June 2, 2012 Green Flash announced the launch of Brewing It Forward, an ongoing local charitable giving program that will benefit San Diego-based, grassroots charities. The platform will be supported by sales proceeds from the brewery's new San Diego beer series which includes 30th Street Pale Ale, Park West Porter, and East Village Pilsner.

Green Flash Brewing Co.™

Former pub owners, Mike and Lisa Hinkley founded Green Flash Brewing Company in 2002. In 2004 renowned brewmaster Chuck Silva joined them in brewing premium style beers, modern twists on traditional styles. Located in San Diego, CA, Green Flash's beers don't fit traditional guidelines. They specialize in brewing assertive and distinctive beers, such as their award-winning West Coast I.P.A. Green Flash also brews seasonal, collaborative and barrel-aged beers. Their award-winning beers are available on draft and in bottles throughout the United States. The Green Flash brewery is named after green flashes, a real phenomena seen at sunrise and sunset, when part of the sun suddenly changes color.

Click on the picture below for their line-up of tasty beers!

Green Flash Rayon Vert Belgian Style Pale Ale is a 7.0% bottle conditioned beer with fresh ale yeast and Brettanomyces finishes the beer, adding a dryness and ever evolving character.
